

Dear ,

The Time has come
-
the new LINAX® Lxs F120 linear motor axis is now available!

With a nominal force of 120N and a peak force of 300N, a precise guide with 4 x 4 recirculating ball rollers each and an absolute measuring system with a resolution of 1µm, the Lxs F120 offers outstanding performance and precision. The Lxs F120 linear motor axis provides effortless installation based on the unique combination of single cable solution and compatibility with the XENAX® Xvi 75V8S servo controller.

Visit our website and learn more about the new [LINAX® Lxs F120](#).
